### **6.2. Telephone Requests**

- 6.2.1. Requests may be made by telephone in cases of emergency. A 'Names Enquiry' spreadsheet must be submitted in advance, and a call to expedite an existing check may then be made. This ensures ACRO have all the necessary details for accurate data processing.
- 6.2.2. Such requests can only be made by a limited number of the Agency's staff. As at the date of this Agreement, the Agency staff who will have the ability to make telephone requests shall be:
- \*\*\*\*,

## **7. Provision of Information**

### **7.1. Response to a PNC Names Enquiry Search**

- 7.1.1. In response to a formal written application, ACRO will provide a Disclosure Print to The Agency with the following information derived from the PNC in response to applications made in accordance with this Agreement:
- All convictions, cautions, warnings and reprimands.
  - Additional information as deemed relevant by ACRO where there is a pressing social need to do so (via a Force Disclosure Unit as appropriate).
- 7.1.2. If The Agency require an additional copy of the 'Prosecutor's and Court Multiple Print' or a 'Witness Print' then this should be made clear in the correspondence submitted by The Agency. Such requests will be charged in accordance with the letter of charges provided separately to The Agency.
- 7.1.3. PNC Warning Signals will not be disclosed.
- 7.1.4. It should be noted that the service provided under this Agreement only covers the provision of certain PNC prints depending on the request submitted by The Agency.
- 7.1.5. If The Agency has a secondary query or wishes to follow-up on the PNC information provided, a formal request is to be made through the nominated ACRO mailbox: \*\*\*\*@acro.police.uk
- 7.1.6. The Agency will need to liaise directly with forces to obtain further explanation of specific information regarding the offending revealed in the prints provided under this Agreement or to gain access to statements, interviews under caution etc. relating to any previous offending. Forces may apply their own charges in respect of any information they disclose.

## **8. Recording Convictions on the PNC**

### **8.1. Creating Records on the PNC**

- 8.1.1. The process for creating records and assigning Arrest Summons Numbers (ASN) to prosecutions brought by Non-Police Prosecuting Agencies (NPPA) is contained in the 'National Standard for Recording NPPA Prosecutions on the Police National Computer' (the '**National Standard**').
- 8.1.2. The Agency undertakes to adhere to the requirements of the National Standard including the requirement to complete and submit the required NPPA form in the agreed format together with a copy of the relevant information to the court in order for a record to be created on the PNC. Court dates are to be provided if known at the time of submission.
- 8.1.3. The Agency will supply a duly completed NPPA form in respect of every person for whom a PNC record is to be created. An ASN will be provided by ACRO in return. A delay in the process is likely to occur if the information provided on the NPPA form by The Agency is incomplete or inaccurate.
- 8.1.4. As part of the record creation service provided by ACRO, The Agency will be sent a PNC Prosecutor's and Court Multiple print for each ASN created. The multi-prints consists of a Prosecutor's Print plus a Court/Defence/Probation Print. The content of each type of print is defined in the list of PNC Printer Transactions which will be supplied by ACRO separately.
- 8.1.5. When a prosecution by The Agency leads to a court appearance, ACRO will update the PNC with the required details of any adjournment or disposal. These details are provided to ACRO through automated processes when the prosecution occurs at a Magistrates' Court. However, these processes do not extend to prosecutions through the Crown Court and therefore The Agency is to advise ACRO of any adjournments or disposal handed down by the court using the form which will be supplied by ACRO separately.
- 8.1.6. If, once a PNC record has been created by ACRO and an ASN issued to The Agency, a decision is taken to deal with the offender by way of an 'Out of Court disposal' or proceedings are otherwise concluded by way of a discontinuance or 'No Further Action' (NFA) disposal, for instance on the advice of the Crown Prosecution Service (CPS), The Agency will inform ACRO as soon as reasonably practical in order that the PNC record can be updated.

## **9. International Requests**

### **9.1. Process**

- 9.1.1. If the subject of a regulatory function or impending criminal prosecution to be conducted by The Agency is a foreign national, or there is evidence that a UK national has lived abroad, a request may be made via the International Services team at ACRO to obtain, if available, details of the subject's conviction history in his/her country of nationality.
- 9.1.2. The purpose of this process, for criminal proceedings, is to enable the subject's full criminal history to be made available to the relevant Judicial Authority e.g. the court at which the case is being heard. The Agency shall act as representatives of the Judicial Authority in this process.
- 9.1.3. The purpose of this process, for general processing, is to enable the subject's full criminal history to be made available in order to effectively assess the individual's eligibility/suitability under the regulatory function.

- 9.1.8. ACRO will receive requests from The Agency, via the following secure mailboxes:

\*\*\*\*@bankofengland.co.uk
- 9.1.9. ACRO will forward the request to the relevant national authority/ies for a response as per the instances set out in clauses 9.2 and 9.3.
- 9.1.10. Requests may be rejected if there is insufficient information to enable the receiving country to verify the identity of the subject, or if the mandatory nominal information is not supplied. Requests may not be sent if the

destination country does not have a criminal register or is categorised as an extreme/severe risk country. Guidance on the required information will be sent to The Agency separately, and ACRO will send updated copies if this information changes.

- 9.1.11. Once a response has been received from the country of nationality, ACRO shall forward the conviction/non-conviction information, including any necessary translation, to the nominated Agency mailbox. If this mailbox is not .pnn, .gsi or .cjsm secure, then additional security protections may be required.
- 9.1.12. Notifications of conviction to the country of nationality of foreign nationals convicted as a result of The Agency prosecutions will take place automatically and no request is required. Such notifications may be subject to a risk assessment depending on the destination country, for criminal proceedings.

- 9.2.1. If the subject is an EU national, then ACRO shall deal with the request under the 1959 Convention on Mutual Assistance in Criminal Matters and the EU-UK Trade Co-operation agreement between the European Union and the United Kingdom, Part 3, Title IX on the exchange of information extracted from the criminal record.
- 9.2.2. There is a mandated response time of 20 working days for the requested country to respond. This includes responses containing criminal convictions, responses specifying a subject is no trace or has no convictions in the requested country or a notification that the country cannot respond for the intended purpose of the check.
- 9.2.3. Requests made outside of criminal proceedings may not be responded to, and are subject to legislation and processes in the requesting country. Guidance on which countries will respond to requests outside of criminal proceedings will be provided to The Agency by ACRO.
- 9.2.4. ACRO shall forward the information as soon as possible after it has been received from the requesting country and any necessary translation has taken place.

## **9.3. Exchange of Criminal Records with Non-EU Countries**

- 9.3.1. If the subject is a non-EU national, a request shall be submitted through Interpol to the destination country.

**9.4. Specific Data Handling**

9.4.1. Any conviction information that is supplied by ACRO with regards to foreign convictions cannot be held on any system outside of ACRO/The Agency's ownership (such as local information systems) and can only be used for the purposes (i.e. the specific case) for which it was requested.

Where The Agency does not provide this information to the data subject, ACRO agrees to rely upon the correct use of an exemption by The Agency and will not contact the data subject to avoid the same prejudice.

## **14. Re-use of Personal Data Disclosed under this Agreement**
